Directory information:

Unless you request otherwise, your name, course, year, registration type (cross-registered), dates of attendance, term address and phone number, email address, and date of birth may be disclosed to the public without your prior consent. Once you obtain an MIT email (Athena) account, your name and MIT email address will appear in MIT's online directory. To suppress some or all of your information from disclosure, complete a Request to Suppress Directory Information, available at the Student Services Center (Room 11-120) or online.
