

Subcommittee on the HASS Requirement

HASS Concentration Proposal

The Subcommittee on the HASS Requirement (SHR) has been charged with oversight of the HASS Concentrations and will review proposals for changes to or new Concentrations while they are in session, during the academic year.

Proposals should come from the Department/Unit Head, Associate Head, Undergraduate Officer, or other faculty responsible for undergraduate education. Completed HASS Concentration Proposal Forms should be sent to hassreq@mit.edu.

Further information on the HASS Requirement is available [here](#). Additional information on the Concentration proposal process is available [here](#), or by emailing hassreq@mit.edu.
